DECISION AND ENTRY OVERRULING DEFENDANT'S *PRO SE* MOTION  
FOR TERMINATION OF SUPERVISED RELEASE, WITHOUT PREJUDICE  
TO RENEWAL AFTER CERTAIN PERIOD OF TIME

---

Pursuant to the attached January 24, 2018, response by the United States Probation Officer to Defendant's *pro se* motion for early termination of supervision, said motion is overruled at this time, without prejudice to renewal on or after November 1, 2018.

The Court notes that Defendant is, as of this time, in full compliance with the terms of his supervised release, for which the Court congratulates him. At this time, Defendant's criminal history, and the nature of same, excludes him for an early termination consideration under the United States Probation Department Guidelines.
